Dear homophobes,

we have a phobia of your behaviour. If you torment people because of who they love, shout words that we are not going to write, or use violence because you don’t like who someone is holding hands with, you should be worried. If we see or hear your abuse, we’re calling the police. That’s because love lives in this country, not hate.

Yours, Scotland

Hate crime. Report it to stop it.
